DATE MAILED:

Please find below a communication from the EXAMINER in charge of this application.

Commissioner of Patents.

The communication filed on 10/22/99 is non-responsive to the prior Office action because both restriction and election of species were required, however applicants' response to the species election requirement is incomplete. Specifically, due to a typographical error, applicants have elected species "1205", which is non-existent. Further, applicants are reminded that an election, to be considered complete, must include a listing of all claims readable upon the elected species. Since the response appears to be bona fide, but through an apparent oversight or inadvertence failed to provide a complete response, applicant is required to complete the response within a TIME LIMIT of ONE MONTH from the date of this letter or within the time remaining in the response period of the last Office action, whichever is longer. NO EXTENSION OF THIS TIME LIMIT MAY BE GRANTED UNDER EITHER 37 C.F.R. § 1.136(a) OR (b), but the period for response set in the last office action may be extended up to a maximum of SIX MONTHS.

Any inquiry concerning this communication or earlier communications from the Examiner should be directed to Lorraine M. Spector, whose telephone number is (703) 308-1793. Dr. Spector can normally be reached Monday through Friday, 8:00 A.M. to 4:30 P.M.
